2004 heralds the first release of the Shingleback D Block Cabernet Sauvignon. Several years in the planning, the exceptional 2004 vintage in McLaren Vale produced fruit which, for the first time, Shingleback's co-owner and winemaker, John Davey, believed stood shoulder to shoulder with the D Block Shiraz.

The D Block Cabernet Sauvignon is an intensely flavoured wine, showing the classic characteristics of McLaren Vale. The finest fruit from the Davey Family vineyard is chosen, and individual barrels selected after maturation, to create the fruit power, complexity and harmonious balance that is the hallmark of the Shingleback D Block reserve wines.

**2004 Shingleback D Block Reserve McLaren Vale Cabernet Sauvignon      RRP: \$59.95**

Other wines in the Shingleback portfolio include the D Block Reserve Shiraz (\$59.95), Shiraz, Cabernet Sauvignon, and Grenache (all \$24.95), Chardonnay (\$19.95) and "Black Bubbles" Sparkling Shiraz (\$29.95). The wines are available at Shingleback's cellar door, located within the McLaren Vale & Fleurieu Visitor Centre, 1 Main Road, McLaren Vale, and are nationally distributed by Angove's.
